

Pre-Employment Transition Services

As you prepare for your life beyond high school, you will be faced with many important decisions:

- ❖ What kind of work do I want to do and how do I find a good paying job?
- ❖ Where will I go to college and what are the requirements for admission?
- ❖ What kinds of resources and supports are available to help me after I graduate?

Students ages 14-22, who have an IEP or 504 plan, can get help finding the answers to these questions and many others through the Pre-Employment Transition Services program (Pre-ETS).

You also may be able to participate in activities such as:

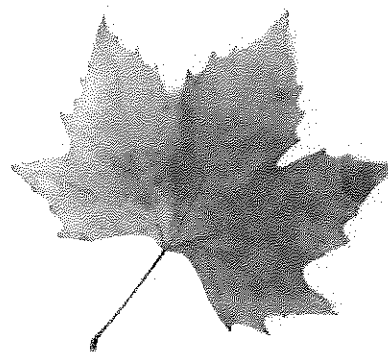

- ❖ Completing job shadowing to find jobs you like.
- ❖ Developing work skills to help you land a good job.
- ❖ Creating your resume.
- ❖ Touring area colleges to learn about majors and admissions requirements
- ❖ Identifying financial aid options for college.
- ❖ Learning how to advocate for yourself to get the services and support you need.

Does Your Teen Have A Plan After High School? Pre-ETS Can Help.

SINCE 2016, OUR COLLABORATIVE HAS PROVIDED TRANSITION SERVICES TO OVER 2275 STUDENTS IN 19 COUNTIES.

Our Career Coaches can help students with disabilities learn about their options after high school and choose a career pathway.

Don't let your teen miss out on the opportunity for a smoother transition from high school!

Pre-ETS services are available to students between 14 to 22 years of age, who have either an IEP/ISP or a 504 Plan.

Career Coaches can work with students within the school setting as well as connect students with community partners.

Individual and group instruction are available.
